

IT'S BACK BY POPULAR DEMAND!!!
A & D's PREPAID PROPANE PROGRAM!
Get Propane For As Low As \$1.30 PER GALLON!*

That's right! You have been pre-selected to be one of a **handful of residences** to have the opportunity to participate in our **"Pre-Paid Propane"** program during our annual May offering!

Propane prices, although lower than previous winters, started at around \$2.50 per gallon and then dropped to current price of \$2.20/gallon. However, analysts predict a possible return to previous market rates of \$2.50 - \$2.60 per gallon for next season. *Are you prepared to pay these same inflated prices this coming winter? OR would you be interested in "locking in" your price at a rate that you know you can afford?*

How about if you could pre-pay for propane and get it delivered to your home for as low as \$1.30 PER GALLON!?*

Is it really possible? **YES IT IS!** This phenomenal opportunity **IS** available to a **very few**, select residences by **special invitation** from A & D Propane program during our annual May offering! ***BUT our prepaid program contract at these prices is only available during the May enrollment period!***

Think about it... your home heating costs are one of your major annual expenses. Locking in this *incredibly low rate* will better help you to manage your household budget and will help you to be able to buy some of those other items that you want!

How can you participate in this revolutionary marketing promotion from A & D Propane, Inc.? It's simple, just complete & return the application form below along with your check, money order or credit card. You will then be eligible to receive our premium propane delivered to your residence for **as low as \$1.30 per gallon!***

You do the math! Propane currently sells for \$2.20/gallon (or *more* depending on vendor).

At the current rate, 1000 gallons costs you \$2,200.00! **With A & D's Pre-Paid Propane you will receive 1000 gallons @ \$1.85/gallon for only \$1850.00!** *That's a savings of \$350.00!!*

At the current rate, 2000 gallons costs you \$4,400.00! **With A & D's Pre-Paid Propane you will receive 2000 gallons @ \$1.75/gallon for only \$3500.00!** *That's a savings of \$900.00!!*

At the current rate, 3000 gallons costs you \$6,600.00! **With A & D's Pre-Paid Propane you will receive 3000 gallons @ \$1.70/gallon for only \$5100.00!** *That's a savings of \$1500.00!!*

At the current rate, 10,000 gallons costs you \$22,000.00! **With A & D's Pre-Paid Propane you will receive 10,000 gallons @ \$1.30/gallon for only \$13,000.00!** *That's a savings of \$9,000.00!!*

That's pricing at our current rate. With A & D's Pre-Paid Propane you may save MUCH MORE than that because the 2018-2019 winter prices, when you use the most propane, could be considerably higher! **Take action immediately! Wholesale rates are rising daily!**

This offer is **strictly limited to the first 100 orders** received at our office, either in person or via fax or US Mail on or before Midnight, May 30th, 2018. *Late applications may be denied!*

Our prepaid program contract is only available during the May enrollment period!

I cannot stress to you the importance of speed in submitting your application. I can assure you that this offer will go extremely FAST, so don't dilly-dally and think that you'll take care of this next week, because you will surely lose out on this **incredible offer**. So get your pen out and complete the following application form right now and return it to us **immediately** to reserve your pre-paid, **guaranteed low price!**

You'll be glad that you did!
